There are
FOUR Round-Up
publications.

Your Round-Up is open ALL Holidays

except for Thanksgiving, Christmas and New Year's and always closed 2 weeks at the end of every year.

I'd LOVE to be out galavanting in a hippy van (but I'll settle for my amazingly cool Jeep).....but I choose to keep a consistent and easy to remember schedule for YOU (see box to left).

Deadline is EVERY Friday, 2 pm - NO EXCEPTIONS.

If something comes up and I need to be closed, I try to give adequate notice.....sometimes emergencies, last-minute fishing trips with the hubs and/or the monthly adventure trips we take do happen quickly.

Dropbox, email, voicemail & website are ALWAYS available!

Thank you - Capri

Melon Mania

"Anything else?" Bob called from the car.

His wife, Maria, looked up from the flowerbed.

"No, just the things on the list. Thanks a million!"

Bob drove off and 10 minutes later pulled into the parking lot of the local market. As he approached the front of the store, he noticed a tall box of watermelons on a pallet. Watermelon was not on the shopping list, but these looked good.....and they were only \$2.99 ea.

Bob bent over the box to search for the perfect size. He couldn't reach the one he wanted, so he stepped into the box and leaned down to pick it up. As he stood up he butted heads with a woman who was leaning over the other side of the box.

"Pardon me," he said. Bob's face flushed and the woman stepped back in surprise. They both laughed. "I'm so sorry. You probably think I just fell off the watermelon truck," he joked.

"No harm done," she said. "Have a nice day!"

"You too," Bob said as he stepped out of the box, tripped on the edge of the pallet, dropped the melon, and landed on top of it. The rind burst open! Pulp, juice and seeds sprayed everything in sight! Bob stood up and looked down at his shirt. It was wet and sticky from neckline to beltline.

Maybe not a truck. But I did just fall out of a watermelon box! he thought as he grinned.

The store manager strode forward, roped off the section by the box and ordered one of the bag boys to start cleaning up the mess.

Bob took a deep breath, brushed the seeds from his hair and stepped over the rope. People had gathered around, staring and

chuckling. Bob could feel his face turning beet red.

The manager stepped forward, "Sir, what can I do to help? I'm sorry about this unfortunate....." Bob interrupted, "I'm fine. It's my fault, not yours," he said and shook the man's hand. "If I had stuck to the list my wife gave me, none of this would have happened!"

"Have a watermelon on us," said the manager.

Bob winked, "Thanks, but I already had one on you. Now it's on me."

Bob pulled himself together and swiped at his shirt with a handkerchief. No real harm done, except to the melon! He felt embarrassed and a bit stupid too, but he was alright. He could have broken a bone or sprained his foot. He walked away muttering, "Next time, just stick to the list. Maybe she is right sometimes!"

Your Water Heater & Drain Cleaning Specialist

During a mission term in Thailand, it was my turn to go to the bank to cash a check. I spoke very little Thai at the time, so trips to town always challenged me. I smiled at the bank teller as I endorsed and handed her the check. She asked sweetly, "What denomination?"

Without a second thought, I blurted out, "Seventh-day Adventist." When it hit me what I had said, we both had a good laugh!

Crosswords, Word Search, Sudoku, etc are all placed in Your Round-Up as space allows. I recognize that they are a favorite and I do my very best to ensure they are in each publication. But, please know that if there is a time when you do not see one of them, or even sometimes none of them, it is simply a space issue. I cannot simply add a page here and there - it is four full pages at a time. I greatly appreciate each and every one of you and strive to give you the very best publication that I can, each and every week. Thank you, Capri.

Bring the party to life - and make moolah at the same time! I have a "full meal deal" DJ Equipment ready to rock-n-roll. People are always looking for a DJ for weddings, parties, reunions, etc. Price your gigs right... and you will definitely stay busy! I'll teach you how to use the equipment. Must be able to load and haul, it's heavy, help is suggested, fits best into large SUV or pickup bed. Photos available by request. \$5,000 (cash or cashiers check only). Call/text 541-350-8314 - leave message, I'll return your call. (BWufn)
