There are
FOUR Round-Up
publications.

Your Round-Up is open ALL Holidays

except for Thanksgiving, Christmas and New Year's and always closed 2 weeks at the end of every year.

I'd LOVE to be out galavanting in a hippy van (but I'll settle for my amazingly cool Jeep).....but I choose to keep a consistent and easy to remember schedule for YOU (see box to left).

Deadline is EVERY Friday, 2 pm - NO EXCEPTIONS.

If something comes up and I need to be closed, I try to give adequate notice.....sometimes emergencies, last-minute fishing trips with the hubs and/or the monthly adventure trips we take do happen quickly.

Dropbox, email, voicemail & website are ALWAYS available!

Thank you - Capri

Kids Are Adorably Honest AND Funny!

Art Linkletter had the BEST job around! Here's some excerpts from his book: *The New Kids Say The Darndest Things*

Art: Do you have any instructions from anyone today?

(I went down the line of children)

Child: My dad told me just one thing: to keep my pants up!

Child: My teacher told me not to be funny.
That's what you get paid for.

Child: My mother told me to pay no attention
to all the crazy things my dad told me.

Child: My mother told me to be sure not to tell
what the neighbors are saying about us.

Art: How old are you?

Child: Five years old

Art: I can't hear you. Are you losing your voice?

Child: Yes. I went to bed without my pajama bottoms
and woke up without my voice.

Art: What you doing for it?

Child: I take a little lemon and honey and bourbon.

Art: What are good manners to remember at
lunch today?

Child: Don't throw up on the table.

Art: What do you want to be when you grow up?

Child: Nothing, because I don't want to grow up.

Art: That's unusual. How come?

Child: Because of all the bills you have to pay at the
end of the month.

Art: Who's the boss in your family?

Child: My dad.

Art: Why do you think so?

Child: Because if I want to go somewhere and
I ask my dad and he says yes, then I can
go if my mom lets me.

Art: How do you know when
you're in love?

Child: You hear bells.

Art: And if you're not?

Child: You hear sirens.

Art: Any brothers or sisters?

Child: One big brother.

Art: Any problems?

Child: I can't tell you.

Art: Why not?

Child: Because he's sitting in
the audience!

Art: Why were you chosen for the show?

Child: I can't tell you.

Art: Oh, come on.....tell me.

Child: I can't, but I'll whisper to you! <<whispers>>
I'm the teacher's pet!

Art: What do you want to be?

Child: Oh, a hundred things.

Art: What mainly?

Child: A housewife.

Art: What does your mother
say to that?

Child: She says, 'Don't be a
housewife because no
matter what else you
do you won't have as
much trouble.'

Crosswords, Word Search, Sudoku, etc are all placed in Your Round-Up as space allows. I recognize that they are a favorite and I do my very best to ensure they are in each publication. But, please know that if there is a time when you do not see one of them, or even sometimes none of them, it is simply a space issue. I cannot simply add a page here and there - it is four full pages at a time. I greatly appreciate each and every one of you and strive to give you the very best publication that I can, each and every week. Thank you, Capri.

Last week while I was cutting grass on my riding lawn mower, two nuns from a nearby monastery stopped to chat. One of them said, "I've always wanted to drive a tractor." So I offered to let her drive mine. I set it at the lowest speed, and she drove off.

"It's like driving a car," I remarked to the other nun.

"She's never driven a car," she replied.

Looking up, I saw the first nun heading straight for the fire hydrant. I ran after her, yelling, "Turn it! Turn it!"

The other nun called out, "She's hard of hearing. Run faster, you've got to get her attention!"
