What's Around & What's Up
 in Crook County

March 4, 2026

YES AS A MATTER OF FACT...
 YOUR FEELINGS ARE WORTH RESPECTING YOUR POTENTIAL IS WORTH EXPLORING
 YOUR GROWTH IS WORTH INVESTING IN YOUR FUTURE IS WORTH EXPECTING

'Tis that time of year again..... Please be mindful when out and about. If you are sick or not feeling well, please use common sense in precaution to prevent sharing with everyone else. A simple sickness for some, isn't always that way for others. Sneeze and/or cough into the crook of your arm, that's simple enough for us all to do! And please, for all that is holy, be KIND if someone has a mask on - you do not know the scope of their reasoning. It really just takes simple acts of kindness for us to each live in this world together.....differences of opinions and/or beliefs make life much more interesting so don't get ugly when someone feels different than you!

Co-Founder of Ridges to Riffles Indigenous Conservation Group—for a talk on the largest dam removal and river restoration project in world history. Amy will share the story of the Klamath River, from its creation teachings and Indigenous stewardship to the devastation caused by colonization, hydropower dams, and the 2002 fish kill. She'll reveal how generations of Klamath Basin Indigenous Peoples combined ceremony, legal advocacy, grassroots action, and strategic partnerships to win a historic \$515 million settlement, leading to the removal of four dams and the return of more than 400 miles of salmon habitat. Amy will explore how Indigenous rights, cultural values, and ecosystem restoration can reshape policy, strengthen democracy, and deliver real climate solutions. Her message is one of resilience and hope: the water remembers, the fish remember, and together, we can renew the world.

Owner

Your Round-Up is open ALL Holidays except for Thanksgiving, Christmas and New Year's and always closed 2 weeks at the end of every year.

I'd LOVE to be out galavanting in a hippy van (but I'll settle for my amazingly cool Jeep).... but I choose to keep a consistent and easy to remember schedule for YOU (see box to left).

Deadline is EVERY Friday, 2 pm - NO EXCEPTIONS.

If something comes up and I need to be closed, I always try to give adequate notice....sometimes emergencies, last-minute fishing trips with the hubs (not often) and/or the monthly adventure trips we take do happen quickly.

Dropbox, email, voicemail & website are ALWAYS available!
Thank you - Capri

Congested and Confused

When I was young, a nose had few choices when it came to cold remedies. There were the capsules filled with cupcake sprinkles and there was the antifreeze-looking stuff with its own little medicine cup. There was also that nasal spray bottle that breathed in and out in the TV ads, but frankly, this was unnerving. It was like having a tiny obscene phone caller living in your medicine cabinet.

It's not so simple anymore. Today's cold sufferer must confront The Wall of Cold Remedies when at the drugstore. There are pills for people with stuffy noses and pills for people with nasal congestion, who are, I suspect, simply people with stuffy noses and advanced degrees or, otherwise put, stuffy people with stuffy noses.

Perhaps because I don't have an advanced degree, I don't understand some things. For example, the difference between sinus congestion and nasal congestion. Fortunately, there are helpful anatomical drawings on the boxes. These tell us that the sinuses are the sink drain located over the upper nose, whereas the nasal passages are the dripping facet down below.

Possibly a cheaper and much faster remedy would be to have Frank, my husband, use a plunger on me. The facial suction marks would be a source of embarrassment, but no worse than the embarrassment endured by the guy on the 24-hour box with the clock installed on his head. Every day at noon he has to pry the hour hand out of his eye socket. No doubt there's a special pill for that too.

I'm not a fan of what the drug companies call "cocktail" remedies: a single pill that treats nasal congestion, cough, headache, fever, sore throat, loose shingles, rising interest rates, pushy salesmen, cracked O-rings and a dozen other things you don't actually have. Especially puzzling is the combination of a cough suppressant and expectorant. Why would you seek to "loosen chest congestion," readying it for travel, and at the same time shut down the launching mechanism?

Seeing the gentle simplicity of yesteryear, I reached for the bottle of NyQuil with its adorable medicine cup hat. Then I stopped. There's a DayQuil now too. Soon there would be a DuskQuil, and a Daylight-Savings-Quil and a

Darkest-Hour-Just-Before-The-Dawn-Quil.

Then my gaze strayed two shelves down, to something entirely new and possibly fabulous: Breathe Right vapor nasal strips. These are a variation of the nose strips you see football players wearing. Instead of simply trying to unclog the mess inside your nostrils, the Breathe Right strip holds them open wider, so there's more room for everything: congestion, airflow, toilet plunger, movie tickets. Plus, you enjoy the unique motivational pick-me-up of feeling like a linebacker. Rather than lying around the house moaning for soup, you find yourself up and about, grunting and shoving. People laugh at your shiny nylon trousers and you hurl them to the ground! You dislocate their bones, and when you're done, an NFL pension awaits. Way to feel better!!!

There is one more thing to keep in mind (that's the area above and to the rear of the sink drain - refer to sinuses and nasal passages from earlier). If you take a pill that cures all your cold symptoms, no one will know you are sick.

No one will pity you or let you out of your chores or tell you to take the rest of the afternoon off and read junky magazines in bed. There should be a pill that, while easing your overall distress, leaves intact one or two of the showier symptoms, the sympathy-getters. Whoever comes up with this pill will become very rich, so rich he can afford his own mansion, and another for his mother and one for the heavy breather in his medicine cabinet.

Now excuse me as I try to find which of these blasted pills, concoctions, miracle-cures will make my head feel less explosive!

12-Week Recovery Run Club Launched by Crook County Health Department

Crook County Health Department (CCHD) is piloting a new 12-week Recover Run Club designed to support individuals recovering from addiction or substance use disorder, thought movement, community and encouragement.

The program combines physical activity with peer support, offering participants a structured and supportive environment during recovery. The goal is to promote physical and emotional well-being while building meaningful connections among participants.

The 12-week program, set to kick-off the week of March 16, will culminate with participation in the Conquer the Canyon race on June 6. Participants may choose to compete in the 5K, 10K or half-marathon distances, depending on their comfort level and training progress.

To encourage participation and remove barriers, the first 10 individuals who register for the program will receive running shoes paid for by CCHD.

Community members interested in joining the Recovery Run Club can register at <https://forms.office.com/g/RqMr3LNRUg>

Robert Lee Frisby
February 21, 1948 - February 18, 2026

Robert Lee Frisby, 77, of Prineville, Oregon passed away three days before his 78th birthday on Wednesday, February 18, 2026 at St Charles Hospital Bend, Oregon. He was born on February 21, 1948 to Robert and Lavonne Frisby in Sioux Falls, South Dakota.

Robert, also known as Bob or Bobby, at age 17 joined the US Navy with two years active duty aboard the USS Canberra CAG-2 during 1965 to 1967. As Gunners Mate he served with his shipmates below the DMZ coast of Vietnam, then returned to the States earning him the Vietnam Service Medal, the Vietnam Campaign Medal and National Defense Service Medal. He continued four years inactive reserves until his 1971 Honorable discharge in California.

With his best friend and wife Wanda and their three daughters, they spent many weekends boating and vacationing on the Colorado River near Parker, AZ in their 21' Charger day cruiser closed bow ski boat. Many of the family members and his lifelong friends shared in the activities making lasting and exciting memories.

In 1990 as empty nesters, Bobby and his wife Wanda moved to Powell Butte in Central Oregon where he became a business owner of Accurate Glass Service (formerly Cecil's Glass), and Sisters Glass & Mirror until his retirement in 2010. In 2021 they moved to their Prineville home (because it had a big shop).

Bobby loved being around family and good friends and enjoyed boating, waterskiing, classic car projects and very proud of his restorations. With his brother Dennis, he restored Wanda's trashed field find 1964 Chevrolet Impala Convertible that a fuel line leak started a gas fire landing him at the Legacy Emmanuel Burn Center in 2002. After his recovery, the 1965 Chevelle Malibu Convertible (also Wanda's) was on the road, and his pride and joy 1955 2nd Series Chevrolet Hugger Orange with Tru-Flames hotrod Pickup. His brothers are also classic car and pickup owners.

He was always willing to join in the local cruises and parades with the Rodders, American Legion/VFW, and Band of Brothers. His kind smile, humor and the bonds that he created and developed are forever in our memories.

He is survived by his wife Wanda, three daughters - Rebecca Frisby Ott (Troy) of Prineville, Bethanie Frisby of Prineville, Michelle Frisby (Clyde), Mom Sharon Frisby of Prineville, three brothers - Ronald (Jeannie) Frisby of Wisconsin, Dennis Frisby of Prineville and Allan (Rose) Frisby of California, two sisters - Carol (Larry) Sellers of California and Tina (Bill) Leaf of Prineville, 4 Grandchildren, 8 Great Grandchildren, along with a host of in-laws, nieces, nephews and countless friends.

He was preceded in death by his infant brother David Frisby, father Robert "Pops" Frisby, and sister-in-law Bertie Frisby.

A Celebration of Life ceremony with Military Honors will be at 11:00am on Saturday, May 16, 2026 at the Prineville Elks Lodge, Prineville, Oregon.
