STOP FIGHTING...
 WINTER...YOU HAD YOUR CHANCE. SPRING, IT'S YOUR TURN!

Kindness is a small, simple act.....Always remember that everyone has battles they are fighting and sometimes ONE simple act makes every amount of difference for someone. A kind word, a smile, holding the door open, paying for the coffee behind you, leaving a larger tip than usual.....what ever it is, do it with purpose. You never know when that one simple thing will be the saving grace for someone. And...as always...don't judge anyone who needs to mask up, sanitize or distance themselves in order to do their best for sickness prevention and/or spreading. Again, none of us know what someone else is going through!

When my brother and I were younger....I was so mean to him. Just days before his third birthday, I let him in on a secret: "Do you know what happens when you turn 3? You turn into a girl." His eyes grew big. "It's true. It happened to me and it happened to mom."

For the next few days, whenever my mom mentioned his birthday, he burst into tears.

Capri C Williams
Owner

Your Round-Up is open ALL Holidays except for Thanksgiving, Christmas and New Year's and always closed 2 weeks at the end of every year.

I'd LOVE to be out galavanting in a hippy van (but I'll settle for my amazingly cool Jeep)..... but I choose to keep a consistent and easy to remember schedule for YOU (see box to left).

Deadline is EVERY Friday, 2 pm - NO EXCEPTIONS.

If something comes up and I need to be closed, I always try to give adequate notice....sometimes emergencies, last-minute fishing trips with the hubs (not often) and/or the monthly adventure trips we take do happen quickly.

Dropbox, email, voicemail & website are ALWAYS available!
Thank you - Capri

FIGHT LIKE TRENT FUNDRAISER

Most of you know that Trent, a local youngster, was involved in a tragic accident in December 2025 that took the life of his best friend and left Trent with significant medical challenges. He spent months in the hospital and has recently come home, where his mom has been his primary care giver - while still attending to the needs of her other children, husband and household. When-ever transport for Trent is needed for appointments - they are having to rely on medical transport since their vehicle isn't wheelchair capable.

A Rummage Sale Fundraiser is planned for May (details will be published as it nears) to raise funds toward the purchase of a wheelchair van. Donations of good, usable items are being accepted to help with this sale. If you are in the midst of Spring cleaning or just have items you would like to donate, please take them to 3636 NW Rimrock Acres Loop, Prineville.

If you would like to make a monetary donation, you may mail to the address listed above or mail/drop off at Your Round-Up, 1590 SE Mountain View Dr, Prineville. Please be sure to indicate on the envelope "Fight Like Trent".

Or use any of these QR codes

THANK YOU PRINEVILLE....
the family appreciates everything that you've done and continue to do!

75th NATIONAL DAY OF PRAYER

Punctuality Matters

Julie, our receptionist, lives about 45 minutes away, on a good day.

She is often late to work, and the switchboard is always lit up when she's late - calls waiting to be answered. One morning, our CEO couldn't get through to the switchboard for a conference call. I had to tell Julie that if she was late one more time, I'd be forced to let her go. She promised she'd be on time from now on.

The very next day, Julie didn't show up until 11 am, tears streaming down her face and she was visibly shaken. Between sobs she assured me that she had a legitimate reason.

She lived on a farm with her husband, Frank. He'd gotten the brilliant idea of buying a goat to eat the grass so he wouldn't have to mow the lawn. Myrtle, the goat, kept the lawn clipped.....for about three weeks, and then found Julie's prize winning rose bushes.

Frank kept the goat as a pet and built a gated pen. Julie always checked the gate's lock before leaving for work. That day, Julie checked the pen and found it wide open.....with no Myrtle.

Julie headed to work, not wanting to be late. But, down

the road a bit she saw the goat chomping on grass. She slammed on the brakes, stopping beside the goat so she could, with lots of effort and some time, get it pushed into the backseat of her car.

Once back home, she pulled the goat out of the car. *Oh, crap.....Myrtle is over there on our lawn. Ugh.....* Julie looked from one goat to the other, realizing she'd grabbed some other farmer's goat.

Julie quickly loaded the stolen goat back in her car and drove it right back to where she'd picked it up at. It willingly left her now-messy car.

Julie, knowing what awaited, drove like a crazy-woman to get to work as quickly as possible.

She sat in front of my desk, tears streaming down her face, body wracked with sobs as I began to laugh at this comedy of errors. I told her that I was a believer in second chances.....at least this last time.

Wish I Had a Counselor

A husband and wife go to see a marriage counselor. At the start of their session the counselor asks them what the problem is.

The wife starts listing every issue the couple had ever had in the 15 years they have been married. She goes on and on and on.....

When she is finally done, the counselor gets up, embraces her and kisses her passionately.

The woman is stunned.

The counselor then turns to the husband and says, "That is what your wife needs at least three times a week. Can you do that?"

The husband thinks for a moment before he replies, "Well," he says, "I can bring her here on Mondays and Wednesdays, but on Fridays, I golf."

There should be more pleasure in getting into trouble.....it is so hard to get out of.

Just for Fun

Growing Up In Slow-Mo

Children grow up fast these days. Hopefully, we'll remember to take the time to enjoy them each step of the way. But just so the transition into adulthood doesn't catch you totally by surprise, you'll know your children are growing up when.....

- You find yourself still trying to convince them of the importance of a nap....only now it's to get them to turn down their radios so you can take yours!
- They still cry when you leave the house....only now it's because your wallet's going with you!

- They still like dressing up in Mommy's or Daddy's clothes....only now they fit, and you don't get them back!
- But you really know your children are growing up when they still wave bye-bye to you....only now it's from the driver's seat!

SCAM ALERT

Don't fall prey to AI or on-line foolishness!

Stay with local and good 'ole fashioned newsprint!

Nothing is foolproof....but, unlike most on-line forums, Your Round-Up makes every effort to ensure that our advertisers & readers have the best & safest experience possible.

Every advertisement that is published has some type of correspondence between Capri & the person placing the ad and all ads must be paid in order to run. This is in hope of minimizing the scammers that lurk behind computer screens.

NOTE: Sudoku puzzles are put in the publication on an "as space allows" basis. At this time, I am unable to add more pages as I'm at the maximum allowed size for the web press where it is printed. I fully understand that the "puzzles" are a favorite amongst readers...and I do my best to get them in as often as possible. Your support and understanding is greatly valued and I appreciate each of you very much. - Capri
